Commissioner for Patents

Applicant's request to restart the response period will not be granted at this time. The Office Action mailed August 15, 2006 was properly addressed and mailed to the address of record. The USPTO has no control over the United States Post Office and where mail is delivered. Furthermore, the time period continues to run from the date of Final Office action (July 20, 2006), and not the date of the Advisory Action. Regretably, a restart of the time period cannot be granted on this basis.
